WordClouds

In our analysis of user feedback from the Play Store, we've generated three WordClouds representing word frequency in the comments. Each WordCloud provides unique insights:

1. Overall WordCloud:

- This WordCloud encompasses all comments, giving a comprehensive view of the most frequently used words across the board.

2. Lowest-Rated Comments WordCloud:

- Focusing specifically on comments with lower app ratings, this WordCloud highlights common themes or concerns expressed by users who rated the app poorly.

3. Highest-Rated Comments WordCloud:

- Contrarily, the WordCloud for the highest-rated comments showcases the positive sentiments.

Monthly Comment Activity Overview

This graph showcases comment frequency distributed across months, unveiling insights into user engagement trends over time. By depicting the varying comment volumes month by month
